NME CHARTS

WEEK ENDING
October 25th, 1980

Pic: Chris Horler.

Before: No wonder Philip Lynott was looking troubled. What with that receding hairline of his, people kept mistaking him for the guy out of Earth Wind And Fire. Y'know, the ones at 24 in this week's chart.

Pic: D. Morris.

After: All smiles now! Says Phil: "Men it can be done! Me LP's straight in at number 10, the women love me, and it's all thanks to that modern miracle of medical science... The beard transplant!"
